

Dear Steven,

God answers prayer! We are thrilled to share that one of our key partners, *Save the Storks*, has pledged AlphaCare a **\$120,000 matching grant towards the purchase of a newer, upgraded Mobile Medical Clinic.** This new unit will allow us to serve more women, reach new neighborhoods, and expand our life-saving impact.

Help bring this
2017 Mercedes
Sprinter with
Ultrasound
(aka Ms. Kathy)
to Philadelphia!

However, to receive the full benefit of this grant, we must raise an **equal \$120,000 by November 28th.** These funds will cover the staffing, fuel, and operational costs necessary to keep the new mobile clinic on the road 3–4 days each week, offering hope and help where it's needed most.

By God's grace, AlphaCare has been faithfully serving the city through our *Mobile Medical Clinic* for over nine years—bringing free ultrasounds, compassionate care, and hope to women and families in some of Philadelphia's most distressed communities.

Over the past year and a half, our current vehicle—though still low in mileage—has faced many costly mechanical breakdowns. This summer, we reached out to ask you to pray with us for wisdom and provision concerning the future of our mobile ministry. **We sought the Lord's direction—and God answered prayer!**

In Hebrews 10:24, we are reminded to "*consider how we may spur one another on toward love and good deeds.*" That is exactly what your partnership does. Your gifts today not only

help us serve and reach underserved communities with life-affirming care, they also encourage our staff and volunteers who stand ready to serve through our Mobile Medical Clinic. Together, we are inspiring one another toward love in action, bringing hope, health, and healing to those who need it most.

Just as the early church worked side by side to advance the Gospel, your prayers, generosity, and faith make you a vital part of this mission. You are spurring others on toward good works that glorify God and transform lives.

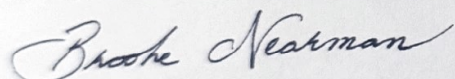

Would you prayerfully consider making a gift of \$100, \$150, or \$200 today to help us meet this \$120,000 operational match?

Your gift will ensure that our new Mobile Medical Clinic is fully staffed, maintained, and deployed across Philadelphia—saving lives, strengthening families, and proclaiming the hope of Christ.

Would you please write your check or go online give **\$100, \$150, or \$200**, today so we can get this unit into the communities that need it most?

Together, we are the hands and feet of Jesus in this city. Together, we are proving again that God answers prayer!

With gratitude and faith,

Brook Nearman, Executive Director
AlphaCare Philadelphia

P.S. Remember that your gift today will help us reach our \$120,000 match by November

28. Every dollar you give is doubled—multiplying your impact and helping us get our new Mobile Medical Clinic on the road to serve more women and families before year's end.
